

## The People's Choice!

The trucks you see operating over the streets and highways of Michigan are there because the people want the swift, dependable transportation service they provide. People who operate factories, run farms, own retail businesses — they rely on trucks to stock their enterprises and to ship their finished products. And the people who buy these products — their needs, too, are served by the most part by trucks. It's a service they've grown used to, a service which has become a vital part of the American way of life. Yes, motor transport is the people's choice, a service and convenience that serves them night and day!

## ANNUAL GRAYLING TOWNSHIP MEETING

Held at Township Office, April 4th, 1959.  
Present: Supervisor, John Peterson; Treasurer, Eureka Stephan; Clerk, Dan Babbitt; Deputy Clerk, Alvin Dase; Citizens, Clare Madsen.  
Meeting called to order by Supervisor John Peterson at 1:15 p. m.  
Minutes of last "Annual Meeting" read by Clerk Dan Babbitt and accepted as read.  
Supervisor Peterson reported the latest information regarding the three fireplaces at Lake Michigan. The Crawford County Superintendent of Highways informed the Township Supervisor that work would begin on these fireplaces as soon as possible and be completed sometime in 1959.  
Due to budget limitations the dump will operate on the present schedule in the year 1959.  
New business — Moved by Dan Babbitt and supported by Eureka Stephan that the Township again ask the Crawford County Tax Allocation Board for a (15) mill tax limitation. This to be used for the Township general operating fund. Yea and Nay vote taken and carried unanimously.  
RESOLUTION  
Under the provisions of Law and Statute provided the following Resolution is hereby adopted by the Township board of Grayling Township, in meeting assembled this 4th day of April, 1959, at the Grayling Township Hall, located in Grayling, Michigan.  
Be it Resolved: That the Township Board of Grayling, Crawford County, Michigan, does hereby establish that there will be one (1) regular meeting, to be held by the Township Board in its official meeting place the Grayling Township Hall, Grayling, Michigan.  
1. All Regular meetings will be held in the Township Hall.  
2. Meetings will be held on the first Monday of each month commencing at 1:00 p. m.  
3. Special meetings shall be called and held at the discretion of the Grayling Township Board and with due and proper notice of such special meetings.  
Motion entered by citizen Clare Madsen that the salaries and fees for all Township officials remain the same in 1959. Seconded by Eureka Stephan. Yea and Nay vote taken and unanimously approved.  
Motion by Dan Babbitt, seconded by Eureka Stephan that the Grayling State Bank be designated as the official depository. Yea and Nay vote taken-carried unanimously.  
Budget — Motion by Clare Madsen that the 1959 budget be adopted. Seconded by Alvin Dase. Yea and Nay vote taken-carried unanimously.  
Special Tax — Moved by Clare Madsen, supported by Dan Babbitt that a one (1) mill tax be levied on the state equalized value of real estate in Grayling Township, and be earmarked for construction and improvement of Grayling Township roads. Yea and Nay vote taken-carried unanimously.  
There being no further business to come before this board at this time motion duly entered for adjournment. Supervisor Peterson so moved. Adjourned at 3:00 p. m., 4/4/59.

## HOME AGENT'S NOTES

"Consumers Marketing Information Cooperating with County Extension Service"

Do you and your grocer speak the same language? Do you understand his food ads that read, "Choice beef", "smoked picnic" or "U. S. inspected meat"? "Choice beef" is a short cut for saying, "U. S. Choice grade beef". That is the law in Michigan. When your grocer advertises "Choice beef", he is telling you he has U. S. Choice grade beef for sale.

What is U. S. Choice grade beef? It is the highest U. S. government grade for beef. U. S. Prime grade is highest, but you seldom see it in retail markets. That is because hotels and restaurants buy most of the U. S. Prime grade beef. So, for you and your meat dollar, "Choice beef" is tops in tenderness, juiciness and flavor.

Your grocer's food ad read, "smoked picnic". You bought one. You thought it would be like smoked ham? And... the flavor was almost like ham, but the "picnic" texture was coarser than that of ham. The "smoked picnic" had lots more fat than ham usually has? That is because smoked picnic is NOT SMOKED HAM. "Smoked picnic" is a cut from the shoulder of a pig; that is the front of the animal. "Smoked ham" comes from the "hip" of a

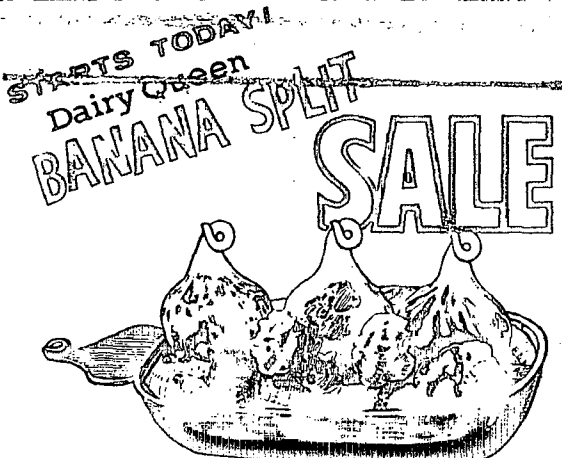

pig; that is the behind of the animal.  
Your grocer is telling you he has smoked picnic shoulder for sale, when his food ad reads, "smoked picnic".  
Then what is the story when the food ad reads, "U. S. inspected meat"? This simply means that the meat... beef, pork, veal or lamb... has been "inspected and passed" as wholesome food, by the U. S. Government. In this is the same as U. S. grading? Inspection is not the same thing as grading. Inspection and grading are entirely different things. Inspection approves the meat for wholesomeness. Grading is the judgment of tenderness, juiciness and flavor. One way to get the most for your meat dollar is to understand the language your grocer speaks in his food ad.

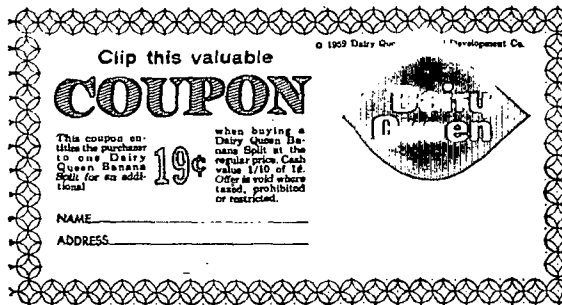

## Many Thanks —

To the voters of Beaver Creek Township for their fine support in my re-election as Township Treasurer.

## Michigan Industry Is Ranked Fourth In Plant Growth

INDUSTRY is booming in Michigan.  
The "state with the problems of economic climate" was ranked fourth in industrial plant growth during the past year and the future looks even brighter.  
Consumers Power Co. is planning a \$100,000,000 electric generating plant on Lake Michigan at the mouth of the Big Pigeon River, 30 miles west of Grand Rapids.  
It required a special act of the Michigan legislature to give the company use of state-owned submerged lands.  
The bill would authorize the state conservation department to grant an easement over 63 acres of submerged Lake Michigan land in Fort Sheldon township, Ottawa County.  
President Dan E. Karn said the new plant would serve Grand Rapids, Muskegon, Kalamazoo and the other communities in the 61-county area supplied with electricity by the company.  
Coal to fuel the plant will be delivered by lake boats.  
"We are now in the preliminary construction work on the side and hope to begin construction of breakwaters and a deep ship and water intake channel by the summer of 1960," he said.  
"Actual plant construction will begin this summer, with the first unit, of 265,000-kilowatt capacity, scheduled to begin operation in 1962."  
The submerged land is shallow, river-mouth area and because of the shallowness of the water, it is navigable only by small crafts.  
The company's petition to the legislature promises that the general public will be able to use the breakwater and port for a harbor of refuge for small crafts.

DEMOCRATS in Michigan are promoting Gov. G. Mennen Williams as a presidential candidate in 1960 but are getting little co-operation from the nation's politicians.  
It poses the question of what Williams intends to do following his present term, which will give him 12 years in the executive office. Consider these:  
Mrs. Williams, traveling around the world for the United Nations' World Health Organization (WHO) said in Tokyo that her husband has "had enough" and will not run for governor again.  
Michigan Democratic leaders were upset when a Chicago political writer took a poll of 1956 convention delegates without mentioning Williams.  
The palace guard in Lansing is running for the governor's office. There are Secretary of State James M. Hare, Treasurer Sanford A. Brown and Lt. Gov. John B. Swainson. Supreme Court Justice George Edwards is also mentioned as a candidate.  
Williams, himself, is non-committal, but his close colleagues consider this is his last term. If Williams holds true to form, no one will know for certain until the last minute.

MICHIGAN'S MOST IMPORTANT industry — automobiles — is working toward a record sales year.  
Some of the industry's spokesmen are predicting a 6,000-unit year, despite the competition from foreign cars, which one researcher claims are making a hit for their "snob appeal."

UNIVERSITY FACULTIES are getting worried about finances, both long and short range.  
They are fretting that even if their administrators receive the hoped-for appropriations, that other pressing needs will stand in the way of salary increases. They consider long overdue.  
The legislature appropriates money for the support of the universities, but has no voice in earmarking it for any special project or use.

FACTS AND FIGURES: Michigan has more than 30,000 state employees. 900 miles of state trunklines. More than 11,000 inland lakes, surpassing that of "Land O' Lakes," Minnesota. A deficit expected to exceed \$100,000,000, which is being considered by legislators of widely diversified views as to a solution.

## Dogs - Dogs - Dogs . . .

Everyone is happy to see spring in Grayling . . . even the dogs. As usual, pedigreed dogs, just plain mutts and what have you are again running in packs all over Grayling.

To set the record real straight at the start, the writer likes dogs (in their place) and has owned them all of his life. One particular dog that couldn't be kept at home (the roving kind) was sold.

We don't believe that every single person in Grayling would agree that we have a dog problem but we are willing to wager that a big percentage of over half would.

We had a story brought to our attention just a week or so ago from the Saginaw News which reported that the City Commission of Caro (pop. 3,464) had hired a dog warden and established a \$10 fine for letting dogs run loose in the city limits.

If the dog owners of Grayling can not be persuaded to keep their pets at home where they belong, either by fencing or a chain, we think the Grayling City Council should give some consideration to the problem . . . and it is a problem. R. W. S.

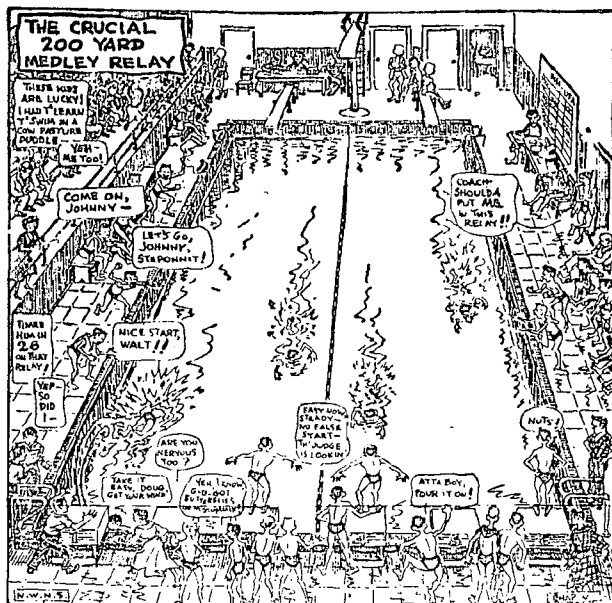

## Teeth Are Needed . . .

Senator McClellan, head of the committee investigating labor racketeering, with Representative Barden, has introduced a labor bill to give union members such rights as freedom of speech and freedom of assembly and to back them up solidly with the force of law.

The McClellan-Barden bill is, beyond doubt, the best measure of its kind so far proposed in Congress. It is true that the Kennedy-Ervin bill is supposed to have the same objective. But this bill — which varies hardly at all from the Kennedy-Ervin bill that was defeated in the House last year — is woefully weak in its provisions. For instance, it would depend for its effectiveness on reports filed by union officers. As Godfrey Schmidt, one of the monitors appointed by a federal court to clean up the Teamsters Union, has said: "I don't think any of us should be naive enough to believe that people capable of the dirty ingenuities that we have seen revealed by the McClellan Committee would hesitate to file a false report."

Senator McClellan himself said: "Disclosure of the administration of union affairs can be meaningless unless the members are insured the rights necessary to take corrective action to eliminate corruption and other improper conduct." The bill he and Mr. Barden propose is designed to provide those rights. It is a bill with some teeth in it.

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE  
FILES OF THE AVANCE OF 23 YEARS AGO

April 16, 1936

At no time in recent years has it looked more favorable for action on the bridge across the Straits of Mackinac, connecting the Upper and Lower peninsulas, than it does today. One of the outstanding reasons is the possibility of federal aid and the solid backing of the people up north on a definite program. This program has apparently been carefully worked out by competent engineers. Main obstacles in the past have been: 1. Failure of the people to agree on a location. 2. Indefinite engineering data and cost estimates. 3. Method of financing. 4. Assurance that the bridge could be built successfully in view of the depth of water, ice conditions and clearance necessary. 5. Whether revenue would justify costs. Some of these have been swept away in recent months. We are told that the engineers have definitely decided that the shallow route from Mackinaw City to St. Ignace is the best and that a great majority of those cities up north have agreed to this plan. Definite engineering data has been gathered to show the plan feasible and that it can be financed for about \$33,000,000. It is also urged that under a federal aid plan 55% would be paid by Michigan and the rest by the United States. The question of revenue is largely a matter of speculation, but in view of the great jump in traffic to the north there is every reason to believe that by the time the bridge could be ready for use four or five years hence, the present traffic will be doubled. What seemed like a pipe dream ten years ago now looks nearer as a definite plan is developed. Both rail and automobile transportation in this section can come to Michigan with greater facility over a bridge than with the present setup which diverts much of it out of the state. In this way many millions in business and taxes will be kept within the state. —Midland Republican.

Mrs. C. R. Keyport was hostess to her contract club at a very delightful luncheon at her home Saturday afternoon. The guests were seated at a long table centered with a crystal cornucopia, filled with yellow nasturtiums and forget-me-nots, resting on a mirror. Prizes for contract were won by Mrs. Roy Milnes and Miss Mary Schumann. Guests of the club were the Misses Ella and Margrethe Hanson and Miss Mary Schumann of Lansing. The party was the first of the season. Mrs. Roy Milnes was elected president for the following year.

George Burke has purchased the Willis Ketzbeck hunting cabin and property on the East Branch. This is located about 2 1/2 miles north of the city in the midst of splendid game cover where there are deer and game birds. The East Branch river crosses over one corner of the property, and furnishes good trout fishing.

Mrs. Helga Mayotte will spend next week in Detroit taking a brush-up course in permanent waving at the Frederick School. Mrs. Mayotte has purchased a Frederick permanent waving machine for her Betty Mac Beauty Shoppe.

Mrs. C. R. Keyport was hostess to her contract club at a very delightful luncheon at her home Saturday afternoon. The guests were seated at a long table centered with a crystal cornucopia, filled with yellow nasturtiums and forget-me-nots, resting on a mirror. Prizes for contract were won by Mrs. Roy Milnes and Miss Mary Schumann. Guests of the club were the Misses Ella and Margrethe Hanson and Miss Mary Schumann of Lansing. The party was the first of the season. Mrs. Roy Milnes was elected president for the following year.

George Burke has purchased the Willis Ketzbeck hunting cabin and property on the East Branch. This is located about 2 1/2 miles north of the city in the midst of splendid game cover where there are deer and game birds. The East Branch river crosses over one corner of the property, and furnishes good trout fishing.

## "IT CAN HAPPEN HERE"

Disaster strikes anywhere, any time. It can happen to us, in smaller communities, as well as the larger areas. Any situation in which a number of people are plunged into helplessness and suffering, without adequate warning and are in need of medical care, food, shelter, clothing, and other necessities of life is classed as a "DISASTER". These may include tornadoes, floods, hurricanes, fires, explosions, transportation wrecks, and in wartime include also explosive, incendiary, atomic or hydrogen bombings. Communities must be prepared to meet and handle the problems of situations such as these which might arise. Mercy Hospital, having full accreditation with the American Hospital Association, is preparing to do its part to make the community of which it is a part one of those which will be ready in time of need.

A disaster preparedness program within the hospital is under way, in order to best serve at a time when trained personnel may be vital to the safety and welfare of all.

A disaster planning institute is being held the week of April 13, at the Fort Shelby Hotel in Detroit under the auspices of the Catholic Hospital Association Continuing Education Program, featuring the hospital field and government agencies. Those from Mercy Hospital who expect to be in attendance at this institute are Sister Marietta, RSM, hospital Administrator, Mrs. Bernice Hill, R. N., and Mr. Edwin Doremire.

The morning worship service at Michelson Memorial Church was prepared by the Woman's Society of Christian Service. Mrs. Anson Hobbs of the First Methodist Church in Midland, and Vice President of the Detroit Conference of the Women's Society, brought the message, "Treasures Are People." The service was conducted by Mrs. Stanley Sigler with the assistance of Mrs. Ernest Larson, Mrs. Carlyle Brown, Mrs. Thomas Robertson, Mrs. Rex Hawkins and the Light Brigade Choir.

Sunday was the "Pin Sunday" in the church school, with attendance awards for the month of March and the winter quarter being distributed. Perfect attendance for March was achieved in Kindergarten by: Douglas Legg, Edwin Papendick, Russell Papendick, Karen Hubbell, Jane Pettengill, Mary Kay Hunter, Gary Johnson, Elizabeth Halstead, Raber, Raylene Slusser, Berie Owens, Sherrill Thayer, Steven Funck, Dale Neilson.

In the Primary Department, by Third Grade—Deyanne Gibson, Mark Duncan, Nancy Anderson, Margerie Johnson, Chris Brown, Marilyn Johnson and Chris Brown. ### Observe Golden Wedding Anniversary

Mr. and Mrs. Otto Kuisel of rural Grayling, observed their 50th wedding anniversary on Tuesday, April 14th, at their McMas- ters Bridge Road home. On that date in 1909, Mrs. Kuisel, daughter of the late Mr. and Mrs. Peter Kothe, of Sebawaing, became the bride of Otto Kuisel, son of the late Mr. and Mrs. Louis Kuisel of Sebawaing. The ceremony took place at the Emmanuel Lutheran church in Sebawaing. Officiating was the Rev. Unbach, who also baptized and confirmed both of them.

Mr. and Mrs. Kuisel lived in Sebawaing until 1938, when they moved to Saginaw. In 1940 they moved to their present home and moved here to make it their residence. The couple have two children, Mrs. Sanford Vivian (Esther), of Copper Harbor, and a son Herbert, of Royal Oak. They have one grandchild, Linda Kuisel.

The Sanford Vivians and the Herbert Kuisels were here last weekend to make the observance.

### R. L. D. S. News

"The Saving Power of the Restoration" is the theme set for worship throughout April to be used with all departments of the church. April 6, 1930, the church was organized for the Restored Gospel to be taught in these Latter Days. Springtime finds many things restored to newness, and during last week many busy church members gathered at the church to restore the class rooms with a spring cleaning. The main auditorium was papered, which adds a more worshipful atmosphere.

The Women's Department met at the church Thursday of last week with Mrs. Ted Stephan as hostess. Following a devotion

planned by Mrs. Clarence LaMotte, the ladies spent the time planning the district-wide Women's Institute to be held here at the Grange Hall in Grayling on April 17 and 18. Registration will start at 2 p. m. on Friday. The price is \$2.00 if you attend the banquet on Friday evening, the services and noon luncheon on Saturday. Those attending on Saturday only will be charged \$1.00 per person. The Friday evening program starts with the banquet at 7 p. m. On Saturday, the services will start at 9 a. m., presented by the Traverse City women.

Novral Stephan is your evening speaker each Sunday during April. Dan Babbitt gave the sermon last Sunday. His theme was "A Stewardship Preparation for Zion."

The Zion's League had an enjoyable roller skating party when they motored to Houghton Lake for their recreation the latter part of March. For their service program they are planning to work at the church with a window wash and a yard rake. We hope the snow stays away long enough to do the jobs.

Don't forget the movie coming to the church the night of April 22. We will take you to Independence, Missouri (Truman's home town) and show you how the "Church of Jesus Christ" conducts a General Conference. This one was held last October. Members present: Cook, Citizens present: None.

The statement of the votes were publicly examined and canvassed from which it appears that the total number of votes cast at said election was three hundred and ninety nine and were cast as follows:

Don Ashton received 190.  
Emil Giegling received 239.  
Don Gottho received 254.  
Walter B. McWilliams received 326.

Whereupon the Board declared the three receiving the highest number of votes were declared elected to the City Council for a term of four years.

The statement of votes cast were publicly examined and canvassed from which it appears that the total number of votes cast at said election for Constable was 244.

Whereupon said Board of Canvassers declared that Addison Brown having received the highest number of votes was declared elected to the office of City Constable for a term of two years.

The Board of Canvassers then declared the election duly concluded. Moved by Gottho and supported by Giegling that the meeting adjourn at 8:30 p. m.

Yea: Gottho, Giegling, Knibbs and LaGrow.  
Nay: None.  
Motion carried.

Mr. and Mrs. Ernest Low returned home from Palm Beach, Fla., last weekend after spending the winter months in the south. The Q. C. Club met last Saturday with the Gene Papendicks as hosts. Door prizes were won by Mrs. Clarence Roberts and Leo Lovely. Cards and buncos were the evening's entertainment. High score for buncos was Mrs. Roberts, second high, Mrs. Hurl Deckrow, while Mrs. Rolla Failing won cards.

Mr. Bill Walker of Roscommon entertained with a dinner party Sunday in celebration of her mother, Mrs. Belle Sterling's birthday. Mrs. Sterling received some very lovely gifts.

S. O. S. Does anyone have any old sheets? If you have, please leave at the Pink Lady, Dr. Ralph Hoffman needs a new dress.

Mr. and Mrs. Everett Jones entertained their daughter and husband, Mr. and Mrs. Joseph Walsh of Bay City, over the weekend. The Walshes came to celebrate Mr. Jones' birthday anniversary Sunday. Others present at the birthday dinner on Sunday were Mr. and Mrs. George Miracle and daughter Marilyn of Flint, George Gross and a friend of Saginaw, Bert Jones of St. Helen, Mrs. George Polmanter, Mr. and Mrs. Ray Dennis and family, and Mr. and Mrs. Norton King Jr., all of Bay City, and Mr. and Mrs. George Polmanter, Jr. and son of Mio.

Mrs. Bruce Carlson had the misfortune to be badly burned Tuesday morning when her nylon housecoat caught fire accidentally while she was preparing breakfast.

Mr. and Mrs. Herbert Wolff returned home Saturday night after spending two months in Saratoga, Ohio, en route home to visit Mrs. Wolff's brother and wife, the George Robertsons, for a few days, then in Lansing Friday night to see their daughter Marjorie at MSU.

Mr. and Mrs. James McGuire of Mikado came Monday to visit her daughter, Mrs. Ted Stephan, and other relatives, returning home Tuesday accompanied by Mrs. McGuire's sister, Mrs. George Stephan, who will remain for a couple of weeks.

Ted Stephan is working in Lansing this week. Mrs. Ronnow Hanson and daughter Karen spent Monday in Mt. Pleasant, on business.

S/Sgt. and Mrs. Albert Markby and two children of Bay City visited his mother, Mrs. Jerry Blyener, and sister, Mrs. Belle Sterling, Saturday and Sunday, also other relatives and friends, before being transferred to Africa on April 15th. Mrs. Markby and the children will remain with her mother in Bay City.

**CARD OF THANKS**  
I wish to express my appreciation and thanks to the Doctors, and to the staff at Mercy Hospital for the very efficient care I received during my recent illness, and to the many friends for their welcome visits, cards and thoughtful gifts.

DR. LEE DE FOREST,  
VACUUM TUBE INVENTOR,  
PRAISES HEARING AID

Lee de Forest, who made modern radio and television possible through his invention of the vacuum tube fifty years ago, recently lavished high praise on a revolutionary new hearing device called "The Listener." "It is," Dr. de Forest said, "without question the finest hearing aid I have ever worn. Nothing compares with it for the quality of hearing it gives."

Commenting further, Dr. de Forest continued: "The advantage of ear-level hearing and the elimination of irritating clothing noises make 'The Listener' a real pleasure to wear. In fact, it overcomes all the objections I previously had to wearing a hearing aid."

So great has been the interest in this remarkable new electronic hearing achievement, the makers have prepared an illustrated report outlining in detail how it functions. Those interested may obtain a free copy from Grayling Pharmacy, 208 Michigan, Phone 5051.

USAF SEEKS MORE PILOTS, NAVIGATORS  
According to Sgt. Jack Miller, local Air Force Recruiter, the Air Force is stressing its need for additional Pilots and Navigators by making opportunities in these career fields available to more and more single men between the ages of 19 and 26½ who desire to earn their wings and a Commission as an officer in the U. S. Air Force. Through its aviation cadet program, the Air Force trains qualified young men to become Pilots and Navigators. The program has become the Air Force's traditional source of leadership by providing Commissioned Officers for active duty.

"Contrary to Popular Belief," says Sgt. Miller, "A person applying for Aviation Cadet School need not be a College Graduate. A High School diploma is the minimum requirements." More information on this program can be obtained by writing or calling the Air Force Recruiting Officer at Traverse City.

## Where Tourist \$ Goes

Every citizen in the community benefits when the traveler spends money. Tourist money helps the local economy by providing income for payrolls, materials, supplies, utilities, retail purchases and taxes.

Michael McNeil accompanied his father, James McNeil of Traverse City, to Bay City on Friday, to spend the weekend visiting Mr. and Mrs. Clarence Dwyer.

Weekend company at the home of Mr. and Mrs. Jack Richards were her son Victor Ballinger, and parents, Mr. and Mrs. John Horton, all of Ann Arbor, April 4th and 5th.

Dr. and Mrs. Leonard Allison returned Wednesday, April 8th, after a vacation in the south of about a week. They flew first to New Orleans, La., and while there saw the Dr. B. E. Henig. They then went to the Gulf Hills Pines Ranch and Country Club at Ocean Springs, Miss., meeting the A. J. Sorensons and the Dr. Jack Cooks there for a few days. The Sorensons and the Allison made a return visit to New Orleans, before returning home last week.

Recent visitors at the William Christenson home were Herman Bohnet and son Kenneth, of Lansing, who called one day, and Mr. and Mrs. Charles Woods and two daughters, of Dearborn, who called after spending some time at their cottage on the Ausable. The Woods plan to do some remodeling on their place, the former Herbison cottage.

Mrs. Clifford Malloy and daughters Jean and Shirley spent Tuesday of last week in Bay City. Wednesday, Miss Jean took the train to Detroit to spend until Saturday, when she was accompanied home by her fiancé, George Phillips, who spent the weekend at the Malloy home.

Dr. and Mrs. Wilbur Fosget of Lansing visited the latter's parents, Mr. and Mrs. Fred Niederer, Sunday before last.

Weekend guests of Mr. and Mrs. Dave Kelly were Mrs. Kelly's mother, Mrs. George Mansfield, and brother, J. D. Mansfield, of Ferndale, and sister, Mrs. Elaine Kazmierczak and children Paul and Billy, of Detroit.

Mr. and Mrs. Norval Stephan returned home April 3rd from North Key Largo, Fla., where they had spent the month of March with their son, John.

Michigan Week (Continued from Page 1)

essay contests, student speeches and essays, radio and television programs, PTA events — are only a few of the many ideas that can be developed on this day.

Friday will be Our Heritage Day, when all communities will make appraisal of their history and heritage, and that of the state as a whole. This will be the time to review traditions, culture and resources that make up community and state heritage. Tours of historical places, special ceremonies in courts, wide use of state and national flags are suggested, and historical displays and programs will be the order of the day.

Quite appropriately, Saturday the end of Michigan Week, will be devoted to New Frontiers Day, when all Michigan is urged to look ahead to the brilliant future of the state in science, aviation, electronics, nuclear power and other fields.
